# BLÆST RAINWEAR

BLÆST Rainwear delivers colorful, elegant and high quality rainwear with an emphasis on fashion to women all over the world. The jackets are designed by the Norwegian designer, Lisbeth Lillebøe, with a wish to look good and keep dry in any kind of weather.

BLÆST Rainwear uses technical fabrics – designed for outdoor use and transforming them into modern, elegant city coats while maintaining their functional qualities. BLÆST Rainwear is produced according to EU's environmental standard.

BLÆST Rainwear is today distributed by leading fashion stores in 14 countries across 4 continents.

Let's colour the world!
