

Rockabilly Rebel

1. Vers: My mama don't like it, the way I comb my hair
Papa thinks I'm crazy, in these clothes I were
They took all my records, Which I played all day
but I am what I am, and I gonna keep on rockin' that way

Refr: *I'm a rockabilly rebel, from head to toe
Gonna keep on rockin', everywhere I go
Everybody join us, for good company
Be a real cool cat, be a rockabilly rebel like me*

2. Vers: The kids in the schoolhouse, can't wait to long
When the school is over,
they put their cat clothes on
Out to hear the slap bass, swinging to the band
It's a real rockabilly that sweeping all over this land

Refr: *I'm a rockabilly rebel.....*

Solo:

3. Vers: Square's get the message, get a boppin' beat
Let it travel throw your body,
till it hit's your feet
Shake it in your shoes boy, and don't it make you feel wild
And if you can't dance, then we're gonna show you how
